

Name _____

China: A Changing Nation

Choose a country to compare with China, then create a fact file of China and your chosen country. List the information in the chart below, using information from the text and your own research. When you've finished the fact file, write a sentence that summarises the similarities and differences between the two countries.

Fact File

| | China | Name of Country |
|-----------------------|-------|-----------------|
| Official name: | | |
| Area: | | |
| Highest point: | | |
| Population: | | |
| Capital city: | | |
| Largest city: | | |
| Ethnic groups: | | |
| Education: | | |
