# The Time Capsule

What was the sequence of events that this story describes? Write the events in order, then imagine that you are a third grader, discovering the capsule fifty years from now.

## 1. In the past (1950s)

## 2. Recently (when the classroom was pulled down)

## 3. Then (talking to Tyler's granddad)

## 4. Next (making a new time capsule)

## 5. In the future (fifty years from now)

 Sequencing the main events
