# Space Station

Use the table below to record some of the problems experienced by the astronauts living on the space station and how they are solved.

| Activity                   | Problem | Solution |
|----------------------------|---------|----------|
| Preparing and eating meals |         |          |
| Washing                    |         |          |
| Exercising                 |         |          |
| Relaxing                   |         |          |
