

Name _____

The Amazing Soya Bean

Write the name of a crop in the circle, then draw four things that can be made from it.
Write a caption for each drawing.

The diagram is a central oval connected to four rounded rectangular boxes. Each box is intended for a drawing of a product made from the crop, and each has a small rectangular caption box below it.

- S** Exploring the production, distribution, and consumption of goods
- S** Using graphic aids such as diagrams to convey information
