Name

The Nosey Investigators

Create a plan for a problem you would like to investigate.

Question and hypothesis	What question will be investigated? What is your guess (hypothesis) about the answer to this question?
Plan for testing hypothesis	What are the steps in your plan? 1. _____ 2. _____ 3. _____ 4. _____
Analyse results	What does the data show? _____ _____ _____
Draw a conclusion	What conclusions can be drawn? What do these results mean?

S Exploring scientific inquiry through problem solving
