

Name: _____

EyePalm

Analyzing a character's reactions is a great way to understand why he or she behaves a certain way. Complete the chart below, showing Samir's and Justine's reaction to the events and adding your own judgments about them.

Event	Reactions	My Judgments of Samir and Justine
Samir feels tired and jet-lagged. He is waiting for his fellow tourists and sees some acrobats.		
Samir meets Justine. She is the first person he has met, and she seems friendly.		
Justine tells Samir his EyePalm is not working properly because he is in the wrong place. She offers to show him the right place, and he follows her.		
Samir realizes he has lost Justine.
