# Lost

How does the plot unfold in *Lost*? How did the softball analogy act as signposts to the climax? Record the events and actions by finding the “strikes” in the text. Write a brief note about what happened and the result. Remember that the first chapter is out of the time sequence, so you’ll need to work out where the strikes fit!

**Strike One:**

Lakota falls down a bank. (page 9)

**Result:**

She is hurt and needs to be taken back to base.
