

# Sun Smart

by Mil Hieber

**Sun  
Smart**  
by Mil Hieber

I will need:

Paper

Pen

There are some dos and don'ts when it comes to sun safety.

For example, don't lie in the sun all day.

Create a sun smart chart. In one column, list some of the things that you should **do**.

In the other column, list some of the things that you **don't** want to do.

Do	Don't
