Safety Warnings:

- Before you start, please read these instructions carefully and retain for future reference. Check the contents inside the packaging and ensure you have all the required parts listed and there are no missing parts. If any parts are missing DO NOT attempt to assemble the product.
- Before setting up, ensure the product is not damaged. If any part of the product is damaged, do not attempt to assemble and use.
- This product MUST only be assembled by a competent adult.
- **KEEP AWAY FROM FIRE.** Keep away from heat sources or naked flame.
- Recommended for children 3 years+. Children MUST ALWAYS be supervised by an adult when playing in or around the den.
- DO NOT use this product to support body weight.
- Place on a ground level, free from sunken, bumpy, or raised areas, as well as hard or sharp objects or toys.
- Place at least 2m away from any structure or obstruction.
- Only for Indoor use only
- Once all parts have been removed from the storage bag, bag MUST be stored safely, away from children or pets, as it could potentially be a suffocation hazard.
- ALWAYS ensure the structure is secure before allowing children to play near it.
- Regularly check the structure, to ensure all poles are connected and the structure is still safe to use.
- DO NOT continue to use this product if any part of the frame becomes damaged.

Instructions

- 1) Carefully unpack the product, remove the contents, and lay them out on a cardboard or other protective surface to avoid damage. Ensure all contents listed are present before setting up.
- 2) Insert poles into fabric loops on the edges of the den. See image below for set-up. Insert all edge poles (black) before attaching corner pieces (red).

Cleaning: Wipe clean only with a damp cloth.

Please keep these instructions as it contains important information.
